For a wider understanding of questions of labour and social policy and administration throughout the world subscribe to the

INTERNATIONAL LABOUR REVIEW

The oldest international journal publishing articles, comparative studies and original research reports on employment and unemployment, inflation and living standards, wages and other conditions of work, industrial relations, workers' participation and collective bargaining, occupational safety and health, etc., by scholars and practitioners of outstanding merit from all countries as well as by the international staff of the ILO.

Recent articles include:

- Energy policy and social progress in developing countries — C. Baron
- Clandestine employment: a problem of our times — R. de Grazia
- A global forecast of absolute poverty and employment — M. Hopkins
- Labour relations in the public service in Latin America — E. Córdova
- Agrarian change and labour migration in the Sierra of Ecuador — P. Peek
- Problems of labour productivity in Soviet industry — L. A. Kostin

Indexed and abstracted in the *Journal of Economic Literature* and the *PAIS Bulletin*

Annual subscription (1981) Sw. frs. 45, US $25.50; £11.25
